

Convert existing bathtub into a step-in shower

The safety step offers an affordable solution for homeowners & senior housing professionals interested in reducing the possibility of potentially dangerous falls, without the expense of removing the tub or other costly renovations.

Benefits (vs. existing tub replacement):

1. Eliminates messy tub tear-outs ... we install on your tub!
2. Saves thousands of dollars! ... vs. tub replacement remodeling projects.
3. Installation done in one day!
4. Safety Step can be installed on steel, fiberglass, or even cast iron tubs.
5. Provides seniors with bath safety & independence.

We also install:

1. Bath seats
2. Grab bars

Exclusive New Technology

Powerbond Bonding Agent:

This bonding agent chemically fuses the top coat to the bathtub or tile. It essentially "super glues" the two surfaces together. This method has proven to be far superior in terms of strength and bonding power, which means the surface is less likely to peel.
